

Have you got what it takes to provide quality education and care to children in your own home?

Become a Professional Childminder!

We can now offer 2 FREE routes for you to work as a childminder: self-employed or employed.

We are looking for suitable people who are interested in childminding in their own home.

For funding eligibility, you must be aged 21+ and in receipt of benefits or on a low income OR unwaged and not on benefits.

If shortlisted, you must be able to commit to a 3 —4 months pre-registration process including:

- A 5-week Become a Childminder training at 10am—2pm delivered in 2 blocks
- A health & safety check of your house (we will provide advice about this)
- Various suitability checks for you and household members aged 16 and over

We guide you through the childminder registration process and, once you are registered, we continue to support you to provide high quality childcare!
