As we reach the end of the year, I would like to extend my thanks to everyone who has supported us in our efforts to ensure that all children receive the best possible educational opportunities at Beckingham Primary School.

Since joining in January, it has been an absolute pleasure to get to know the children and I have so many happy memories already of their achievements, their adventures and their unique perspectives on life!

I look forward to September, when we join new classmates and our learning adventures begin again. Until then, myself and the rest of the staff team wish you all the most amazing summer and hope you make magical memories to treasure!

Happy holidays everyone!  
Mrs Furniss

From next year we will be using ClassDojo to communicate messages to parents as a first port of call. We will send as much as we can via email too, but please can we request that all families are signed up to ClassDojo. If you are not yet signed up, please request details from your child's class teacher.

### Tax-free child care help

If you are eligible for Tax-Free Childcare, you can set up an online childcare account for your child. For every £8 you pay into this account, the government will pay in £2 to use to pay your provider. More information is on the link below:

<https://www.gov.uk/tax-free-childcare>

If you are considering this, please contact the office for further details.
