Fencing update

As you may remember, the children cited one of their concerns in school as the holes in the fencing. In the summer holidays, we will be upgrading the school perimeter fencing so that it makes the school site more secure as outlined by the DfE.

We will have the wooden fencing available if anyone would like to claim any for wood burners or garden projects – please contact school if you are interested.

2025 Summer Reading Challenge, Story Garden

at Nottinghamshire Inspire libraries 5 July – 7 September

This summer Inspire libraries will be tapping into a world of imagination and digging into brilliant books in the 2025 Summer Reading Challenge, Story Garden. Produced by The Reading Agency and delivered in partnership with libraries across the country the Summer Reading Challenge is a brilliant way to maintain children's reading enthusiasm throughout the summer break.

Children read six library books of their choice over the summer, collecting rewards along the way. Every child who completes the challenge will receive a certificate and medal.

Story Garden is running in all Inspire libraries until Sunday 7 September, suitable for children aged 4 – 11. It's completely FREE to take part. Under 4s can take part in our mini challenge too

Snap shots of our learning

Foundation – The children have been enjoying exploring the outside area in the beautiful weather and have been making the most of their time in this lovely space.

Class One – Class 1 have been working hard to produce some rhyming verses to put into a class song all about the animals we might find if we visited a zoo, including a cat in a bright yellow hat, and a snail that leaves a slippery trail and a pig in a pink wig!

Class Two – Class 2 have been working really hard mastering angles and turns in maths and learning about the human body in Science. They are also finding out about Biomes in geography and how they can locate them with lines of latitude and longitude!

Class Three – This week, Class 3 have been busy on two separate trips! Year 6 visited Worksop Fire station to learn how to look after themselves and keep safe ready for their growing levels of independence as they transition to secondary school, and Year 5 went on an exciting trip to Retford Oaks to experience some of the creative lessons they run as they get ready to make secondary school choices next term!
