Sport's Day

Sport's Day will be held on Friday 27th June (10 am) followed by a picnic on the school field. We hope you can join us and that the weather is kind to us! We will finish the event by 1 pm and children will return to afternoon school as usual.

We invite children to wear a t-shirt in their house colour for the event (PE kits can be worn all day) – or a white t-shirt can be worn and we will provide a coloured band!

Parking Reminder

Thank you to all those who continue to support us by parking considerately around school – residents have expressed their thanks also.

Further to this, could we please ask that children are collected from school from the patio as we are unable to send them out to cars parked outside the school gates. Only children who have written permission to walk home in Class 3 are able to be released from the doors without an adult.

Donations please!!!

We are looking to host a pre-loved toy, book, DVD and teddy stall at the Summer Fayre! If you have any items that are in good, clean condition, could they please be handed in at the office.

After our amazing bake sale a few weeks ago, we will be asking in due course for contributions to a cake stall on the day!

SUMMER FAYRE

Exciting news!

Ex-Lioness Jess Clarke, who has over 50 caps playing football for England, will be visiting our school on 17th July to run some sponsored fitness sessions with the children! The visit is designed to inspire the next generation of athletes, but will be fun for all the children as they learn how resilience and tenacity can pay off in all areas of life. The majority of the fundraising go into the school fund for the children, with a smaller portion contributing to Jess's athletic journey. Watch out for sponsor forms coming home to you in the next few days after a presentation in assembly on Monday!

Snap shots of our learning

Foundation – The children have been baking their very own gingerbread men, using maths and DT skills to get the recipe correct. Staff can confirm that they were very tasty as we were lucky enough to sample some!

Class One – Class 1 have been learning about balanced diets and keeping healthy in Science, so as part of DT they have been designing exciting, healthy restaurant menus!

Class Two – Class 2 have produced some amazing rainforest-inspired artwork and have been hard at work writing persuasive letters to convince adults to help look after our planet after world environment day!

Class Three – This week, Year 6 have once again been working really hard on their writing and are supporting each other with amazing teamwork and respect. The whole class are working towards a 'Come Dine with M' experience, which we can't wait to taste-test!
