Headteacher update!

A HUGE thank you to all who contributed towards the bake sale and those who sacrificed themselves by eating huge mounds of cake!

We raised a whopping £325 from the sale and this will be put towards picnic benches and other items for the children!

Dates for your diary:

This week:

- Monday 12th May – Grammar and Spelling SATs paper
- Tuesday 13th May – Reading SATs
- Wednesday 15th – Maths SATS Paper 1 and 2
- Thursday 16th May – Maths SATs Paper 3

Next week:

- Monday 19th May – Cross country event Y3/4 at Ordsall (letters have gone out to interested children)
- Tuesday 20th May – Class 3 trip to Woolsthorpe Manor
- Thursday 22nd May – Celebration assembly by invitation
- Friday 23rd PTFA treat sale after school on the patio

Let's get walking!

Well done to all of those children who are walking or biking to school as part of the Walk notts festival. As a reminder, they will receive a sticker for every journey complete to add to a reward card – if they collect ten stickers they will get a Rainbow reward and for every sticker after ten they will receive a raffle ticket to go in a prize draw! Anyone who collects a full set of 16 possible stickers will receive a certificate and Eco-Warrior badge to acknowledge their contribution towards reducing carbon emissions and Beckingham Primary School's carbon footprint.

Keeeeeep walking!

A huge congratulations to Miss Thorpe and the whole of the family on the birth of her baby girl, Penelope. We wish you every happiness!

#nottswalkingfestival

Thank you to those who attended our first PTFA meeting this morning – we were really excited to hear your ideas and are looking forward to organising the first event of a pop-up treat stall on the last day of term.

If you are able to offer a few hours to help the school make bunting, wash jars, wrap surprises, create posters for stall etc, please let us know and we will put together a team to help organise the summer fayre on Monday 7th July, on the school field from 3-5 pm – watch this space!

Snap shots of our learning

Foundation – The class have been exploring 3D shapes and finding cubes, cuboids, spheres and cylinders in the classroom.

Class One – Class 1 have carried out an experiment using glitter to explore how germs spread when they shake hands and have been using the slip and score method to join clay.

Class Two – Class two have been investigating why the Vikings invaded Britain (to acquire the natural resources!) and have started to compare decimal numbers with fractions.

Class Three – This week, Class 3 have been using the chiaroscuro (light-dark) technique in art to use contrasts in their work and have been brushing up on their rounders skills ready to take on the staff team next half term.
