Headteacher update!

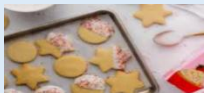

As you may have seen from the myriad of posters around school, we are holding a bake sale to raise money for school funds, and are asking for contributions that we can sell on the patio, after school, on Tuesday 6th May. Any surplus will be sold at break the next day and information around that will be sent home.

N.B. May we please ask that no nuts are used in the baking process due to existing allergies within school.

Please bring donations on the morning of Tuesday 6th May in a suitable container, and if you wish it to be returned, could it be clearly labelled with your child's name and class. Thank you in advance to anyone donning an apron to help over the Bank Holiday weekend – my mouth is watering already!

Happy weekend!

Mrs Furniss

Dates for your diary:

This week:

- Monday 5th May – Bank Holiday
- Tuesday 6th May Book Fair & Bake Sale 3.30 pm on the patio/Library van visits
- Thursday 8th May – singing assembly/VE Day focus
- Football match – home at 3.30 pm
- Friday 9th May – PTA meeting main building (Limes entrance) 9 am – all welcome!

Next week:

KS2 SATs week

- Thursday 15th May – singing assembly

Let's get walking!

Well done to all of those who are walking or wheeling to school as part of the 'Walk notts' festival! We will be looking to plant some wild flowers in the area at the side of Class 2 in order to offset some of our carbon emissions that we make as a school. The plants will recycle some of the emitted Carbon Dioxide which will help reduce our impact on Global Warming and will have the added bonus of increasing the food supply for the pollinating insects that we rely on to keep life sustainable on Earth. All of our food relies on these small creatures as everything on Earth relies on plants as their core food source. So, next time we grumble about flies, wasps or bees swarming round us we might want to take a moment to reflect on how they are crucial to our survival!

Exciting news!!!

BPS Summer Fayre is on its way!

WEEK
2

walk notts festival 01-31 May

How many of these can you do in May?

Scavenger Hunt

Collect leaves, twigs, or small stones – what can you make with them?

#WalkNotts Stone

Paint a #WalkNotts stone and leave it for someone to find

Photos

Go on a walk or wheel and take photos of things you find interesting

Litter Picking

use gloves or a litter picker to pick up and recycle 5 pieces of litter

Mindfulness

What do you see, hear or feel while you walk or wheel?

Storytelling

Make up a story based on what you see around you.

Heads or Tails

Flip a coin and let it choose your next move. Heads you go right... Tails you go left...

Flower Power

Go outside and smell some beautiful flowers. Remember not to pick them

Picnic

Go to a nearby park or green area and enjoy a snack together

Walk or Wheel

With you family, friends or neighbours.

Dancing Feet

Put on your favourite song and dance from room to room

Step Counting

Count your steps in 2's, 5's or 10's

it's all about wheeling as well as walking, and inclusive to all

Wheeling is an alternative to walking, with people using wheeled aids to help them move eg rollators, wheelchairs, buggies, push scooters

School council news!

The recent school council highlighted the following issues they feel strongly about – our responses are in blue:

They would like more secure fencing around school - we are making enquiries about next steps

Children would like picnic benches on the field – fundraising from the bake sale and summer fayre will be put towards this

The children would like storage for bikes and scooters – we will enquire about funding for this

If you are able to help with any of the issues they raised, please get in touch!

Snap shots of our learning

Foundation – Children have been learning how butterfly wings are symmetrical in preparation for hatching their own in a few weeks, and have been finding lots of different ways to make 10.

Class One – Class 1 have been writing persuasive letters relating to the feelings of the characters in 'The Day the Crayons Quit' and have been using their body as a percussion instrument to make music!

Class Two – Class 2 have been mastering telling the time and learning about leap years, and have taken a virtual tour of a Viking village to immerse themselves in what it must have been like to live in a Viking settlement.

Class Three – This week, Class 3 have been learning how to manage big feelings if they are feeling stressed as part of DAaRT and have been finding out about spirit animals of the Maya as part of their art project.
