Headteacher update

And that's a wrap! We have completed the term and I am so proud of the efforts of all of the children over the past few weeks.

We will be looking at the value vision next half term as we look to celebrate Earth Day on the first day back and consider our impact on the planet. The children have shown an avid interest in how to minimise our carbon footprint and our contribution to Global Warming.

Watch this space as they use their vision to help us to make our school more eco friendly and look to get involved with the local community to help make Beckingham village 'greener'.

If you are doing any gardening over the holidays and have any spare plants left over, please consider donating them to the wild area at the side of Class 2, as we would love for this to become a haven for butterflies and bees.

Thank you for all your support this term as my first one at BPS. Have a wonderful Easter with your families and we will see you on 22nd April!

PRIZES FOR THE WINNERS AND RUNNERS UP - THE WINNING DESIGN WILL BE USED TO ADVERTISE THE EVENT.

CARRIBEAN FOOD, STEEL BAND, PICNIC ON THE GREEN GAMES AND MUCH MORE

Calling all budding artists and designers!

Beckingham Parish council have offered an amazing opportunity to the pupils of BPS – to design a poster for the upcoming village summer fayre! Events that have already been arranged are on the image above and pupils are invited to design a poster that will be used to advertise the event. Entries are to be handed to school by Friday 2nd May – they can be computer-crafted, painted, drawn or collaged and must contain the date of the fayre, some of the events and reflect the Carribean theme. Happy creating!

Snap shots of our learning!

Foundation – They have been learning about insects and their life cycles at the tropical butterfly house and their behaviour was impeccable. They have used this trip as an inspiration to make chocolate nests as they thought about where animals brought up their young.

Class One – Class 1 enjoyed an amazing day at the Butterfly House and have been writing formal thank you letters to the venue staff who looked after them during the trip. They were so proud of their efforts and I am sure that they will bring huge smiles to those who receive them.

Class Two – Class 2 have been performing their soundtracks to the story boards that they wrote using Purple Mash and have been learning about how humans interact with the features of mountains in their daily life.

Class Three – This week, Class 3 have been learning about how to look after themselves if they are feeling pressured and how to look after their mental health. They have also smashed their Samba drumming performance and the adults and children in Foundation who were in the audience were really impressed.
