Headteacher update

Class 2 began swimming lessons at Gainsborough Leisure Centre and they were a credit to the school with their effort and exemplary behaviour. We hope that they work hard to master this really important skill if they are beginners, and that seasoned swimmers enjoy practicing and improving their strokes.

We are pleased to announce that the sale of Cauliflower Cards before Christmas raised an impressive £114.80 for school funds, and we will put this to good use investing in books for the library for the children to enjoy. Thank you to all who supported their budding artists through their purchases.

As we continue to develop our wrap-around care we are moving Base Club back to the old building, so parents need to pick up and drop off at the old building via the entrance on High Street. Please could we respectfully ask that you do not park on The Limes at drop off and pick up time as there have been several near-miss incidents reported.

Thank you,
Mrs Furniss

“Anyone who stops learning is old, whether at twenty or eighty. Anyone who keeps learning stays young. The greatest thing in life is to keep your mind young.”

Henry Ford

Well done to Jacob (F2), Charlotte (Y1), Olivia (Y2), Lily (Year 3), Amelia (Y4), Angelica (Y5) and Max (Y6) who got to pick a friend to take with them to eat lunch at the Golden Table on Friday!

As all parents know, it can be a tricky task finding out what children have been learning at school, so here are snapshots of some of what each class has covered!

Foundation – Children learned all about emperor penguins, and were amazed to find out that the egg sits on Daddy's feet to hatch whilst Mummy swims in the sea to collect food!

Class One – Class One have been reading Traction Man and have used his adventures to write their own alternative endings to the book. They have also made peg dolls to take on the adventures next week!

Class Two – In English, children have been writing persuasive adverts to sell a product of their choosing and they had their first swimming session at Gainsborough Leisure Centre.

Class Three – Children have been planning their own scientific investigations into how to change the length of shadows. They have also compared the life a Pharaoh with that of an Egyptian farmer as historians.

Brush off your dancing shoes! The tickets for the disco are now available to buy on Parent Pay at a cost of £3.00. This includes a drink and a snack.

The disco runs from 3.30pm to 4.30pm – party clothing is to be brought to school on the day to change into.

Keeeeeep dancing!!
