Old building update!

We are pleased to announce that the old building is back in business and BASE club will be back there from Monday 23rd – and the playground will be available to walk through!

We have enjoyed lunch in there this week and a visiting author presentation by Nazima Pathan this afternoon, and the children are very impressed by our new flooring in the hall!

Dates for your diary:

THIS WEEK W/C 23th March –

Monday 23rd March – 3.30 pm Y6 SATs club/4.40 pm Y6 SATs parent briefing

Tuesday 24th March – RE enrichment visit from Bishop Paul Williams

Wednesday 25th – Easter Egg competition judging

Thursday 26th March EYFS Stay and Play (pm)

Friday 27th March Easter Assembly for children – Reverend Liz/Easter Egg hunt!

Last day for entries for the Parish Council Poster competition!

NEXT WEEK

EASTER HOLIDAYS!!!

School returns on Monday 13th April

Don't Forget – get crafting!!

The theme for 2026 will be 'Fictional Characters' and we would like children to make their entry reflective of a favourite book or story that they know. We will award one winner per class, and the judges will be from the governing body!

We are also running an art competition in conjunction with the parish council and community to create an Easter poster. The winner will be announced at the grand opening of the new play equipment on The Spinney, on Saturday 4th April and the prize will be Easter themed (and will definitely include something chocolatey!). Our school council worked with the community team to help design the area and this will be the first chance to play on it! Please see the flyer later in the newsletter for details of this exciting event.

Snap shots of our learning!

Foundation – The children in Foundation have been weaving beautiful Easter baskets and have been making obstacle courses for their friends in the outdoor area in the sunshine. They have worked as a team to make sure that there was a continuous flow of water into the buckets in our waterfall area.

Class One – Children have been making rain gauges so that they can measure rainfall in the school grounds as part of their investigations into weather. They have been designing a pencil-pots in DT and working out how to join a Kraft tube to a cardboard base so it is secure and hard-wearing.

Class Two – In Class Two, children have been making their model toys so that they are able to attach circuits to them next week. They really enjoyed practicing saving each other using pool noodles during water safety week at swimming!

Class Three – This week, Class 3 have completed their flashback stories and are preparing to write Captain's logs and have been brushing up their netball skills in PE. They used their prototype bridges from last week to make bridges from spaghetti this week using the skills they had learned so that they could hold a load without breaking.
