

Every Child Thrives

This week in school we focused on our value of Resilience and the value of being able to embrace mistakes and setbacks in a positive way.

Resilience

We are able to be happy and try again after something has gone wrong

We shared *The Dot* by Peter Reynolds, one of our favourite whole-school stories. The book teaches children about having a growth mindset and never giving up.

This week, we focused on how Vashti felt unhappy when her first drawing did not turn out as she hoped. We could see this in her body language and the way she spoke. When her teacher praised her effort, Vashti found the confidence to try again. As she kept drawing, she became happier, more creative, and willing to take risks.

Vashti showed great resilience by “bouncing back” when things did not go well at first. Our resilience value is linked to a trampoline. When we reach the lowest point, we can bounce back even higher. This helps us remember that mistakes and setbacks are a normal part of learning.

Everyone experiences failure at times, but with support from our BPS community, we can learn to keep trying. By seeing mistakes as opportunities to learn, we can grow in confidence, develop our creativity, and help others do the same.

Buildings update

We are nearing completion of the accessible toilet project in the old building (final date to be confirmed). Subject to confirmation from Nottinghamshire County Council contractors, we hope to begin a similar project in the main building before half term.

During the work, the patio and library areas will be closed for several weeks. Before the project starts, a new access door will be created for Class 1. Classes 1 and 3 will access the building through the wild area, where a path will be installed and the small fence removed. Unfortunately, the pond dried out during the recent hot weather and has now been filled in, creating a more accessible space for outdoor learning.

Classes 2 and Foundation will use the Foundation entrance while the work is taking place. Further details will be shared once dates are confirmed. We hope to make as much progress as possible during the half-term break.

Christmas Hamper **NON-UNIFORM DAY** FRIDAY 9TH OCTOBER

BECKINGHAM PRIMARY SCHOOL PTFA CHRISTMAS RAFFLE APPEAL

WE'RE COLLECTING DONATIONS TO CREATE COLOUR-THEMED HAMPERS AS PRIZES FOR OUR FESTIVE RAFFLE!
EACH CLASS HAS BEEN GIVEN A COLOUR — PLEASE SEND IN ITEMS IN YOUR CHILD'S CLASS COLOUR, SUCH AS
SWEETS, CHOCOLATES, CANDLES, TOILETRIES, TOYS, GAMES, OR ANY OTHER FESTIVE TREATS.

THANK YOU FOR YOUR SUPPORT AND GENEROSITY!

Foundation

Class 1

Class 2

Class 3

From Monday, there will be just 89 days until Christmas! To help us get ready for our Christmas Fayre on 7th December, we will be holding a non-uniform day on Friday 9th October in exchange for donations for our Christmas hampers.

The hampers will be raffled at the Christmas Fayre to raise money for projects that benefit all children in school. Each class has been given a colour, and we ask that your child brings an item to match that colour. Suggestions are shown above, and items can be food or non-food.

We would also be grateful for any help with preparing for the fayre, such as wrapping tombola prizes, making signs, storing items, or helping on a stall for a short time on the night. All parents, staff, family members and friends are part of our PTFA, and any support you can offer is greatly appreciated.

If you would like to help, please contact the school office
