Remembrance poppies

Thank you so much for all the donations of hand-crafted poppies for decorating the school during November. We are really keen to receive as many as possible so that we can build up a collection to be used year after year. We are committed to ensuring that the children grow up to recognise the sacrifices made by so many to ensure that they have the freedom to play and learn in our beautiful school.

If you, or someone you know, can spare a little time and yarn, we would love it if you could join us in our project and will collect any poppies you are able to make for the school display at reception.

A link to some free patterns is below but if you have a favourite design of your own, please feel free to use it!
