Every Child Thrives

All of our values were brilliantly demonstrated in our harvest service this week, and our assembly focus for the week was Versatility.

We shared the story 'Rosie Revere, Engineer' to follow her journey as she realised that sometimes our mistakes are inspiration and when we end up hitting a dead end with one approach, if we go back to the beginning and try another, we may find something amazing at the end of this – or another opportunity to try yet another different way! Rosie's versatility enabled a multitude of amazing inventions, none of which were quite right, but all of which were fabulous! Find out about her use of cheddar-cheese spray using the link below!

Donations for Harvest Festival

Thank you for all of your generous donations to the Food Bank that we received for our Harvest Festival service on the last day of term. Difficulties in finance can hit any family at any time, and if you or anyone you know needs support, please reach out to the nearest foodbank, as this is exactly why we ask for donations to this amazing community resource.
