Every Child Thrives

The children are rising to the challenge of displaying our new values in their daily school activies, and our assembly focus for the week was Effort.

We shared the story 'Stuck' to follow the journey of Floyd as he tried and tried and tried to get his shoe down from a tree and had a very long series of mishaps along the way. After much effort, Floyd was able to retrieve his shoe, however, for some of the unfortunate individuals he met along the way, their day didn't end quite so successfully!!

'Stuck' Read Along

Dates for your diary:

Monday 16th November - Odd-socks Day – please wear your oddest combination of socks to mark the start of Anti-bullying week!

Tuesday 17th November – Library van

Wednesday 18th – Wrates individual photos/Young Voices practice

Staffing news!

It is with bitter-sweetness that we share the news that Miss McKone has secured a position at St Giles School in Retford. As a school community, we will be so sad to lose her as she is a much-valued member of the staff team, but are all very proud of her for securing a role in an education setting that is so close to her heart.

She will be leaving us on Friday 13th November and we will be sharing the news with the children in assembly, so they will know when they come home tonight.

We wish Miss McKone the greatest of success in her next journey in her career and she has already offered to come and volunteer for attending the PGL residential next year, so we will not be seeing the last of her!!

Remembrance at the Cenotaph

The Remembrance Sunday memorial gathering at the Beckingham Cenotaph will begin at 10.45 am on Sunday 8th November. If any children wish to attend, we ask that they are dressed in school uniform to represent the school and Mrs Furniss will be there to help them to lay a wreath in memory of the soldiers from the school who gave their service so that we could be the community we are today.

Let the festivities begin!!

As we approach the festive season, we are starting to make plans for the Christmas Fayre on Monday 7th December!

We will be sending home raffle tickets with the children and would ask that money raised by selling these to family and friends is brought back to school in the envelope provided!

We will also be sending home the children's creations that were purchased from Cauliflower Cards, which raised over £100 for school funds!

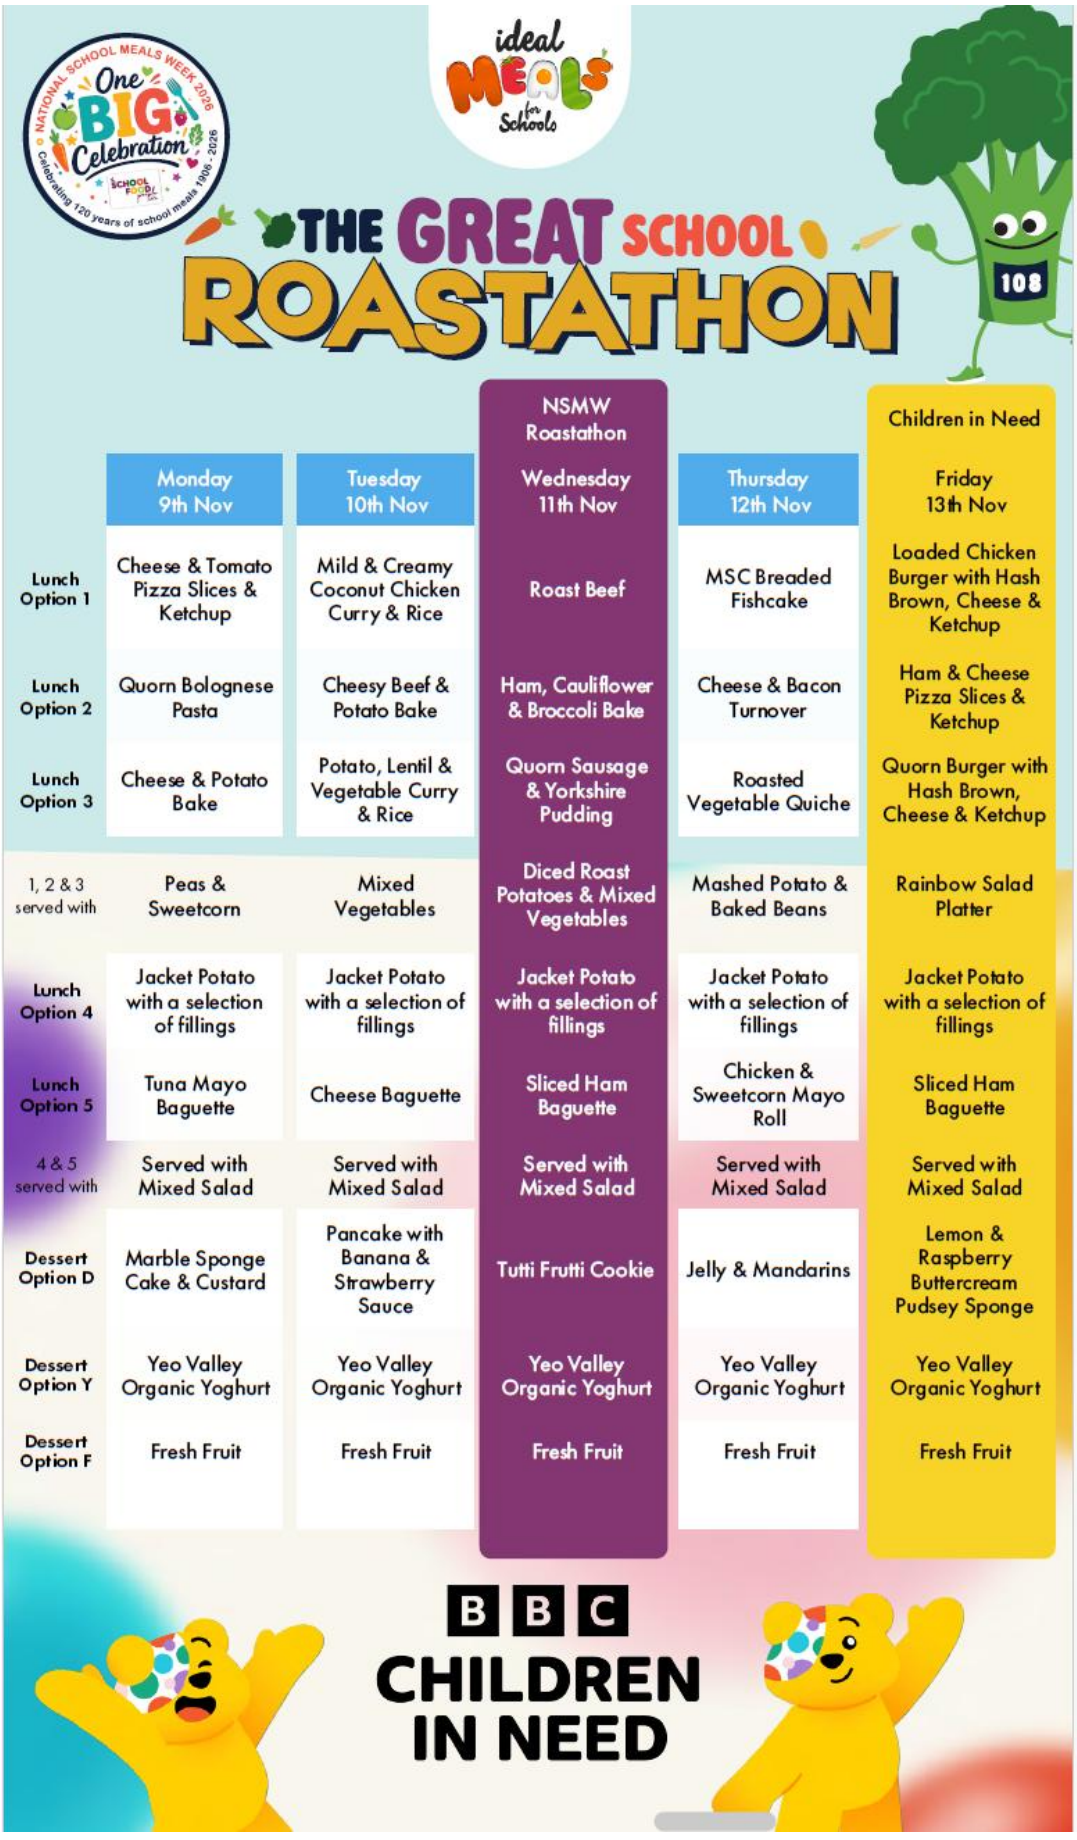

Snap shots of our learning!

Foundation – In Foundation, the children visited the fire engine and met the staff from Misterton Fire Station. They enjoyed investigating the cabin of the fire engine and asked lots of very good questions. They have written the sounds that fireworks make using their phonics knowledge such as

Class One – Children have been learning the story of the Gunpowder Plot and retelling it to talk partners. They have been recreating the story using drama to imagine how it might have felt to be hiding in the cellars of The Houses of Parliament. The festive season must just be round the corner as a new nativity has been chosen and the children have been listening to their new songs!

Class Two – In Maths, Y4 children have started a new topic investigating area and Y3 are learning how to subtract 2-digit numbers from 3-digit number. The class enjoyed a bonfire party with Mrs Swift where they feasted on traditional bonfire foods and they made their own representations of fireworks, which they used in PE to create dances.

Class Three – The children have started drumming and thoroughly enjoyed their first lesson. They have used historical portraits to determine how King Henry VIII portrayed himself by how he was posed in them. The children are going to be making Doodlebots and evaluated existing products containing motors to give them ideas for their own plans.
