Fundraising update!

Thanks to the generosity of our wonderful school community, we have made the following purchases from funds raised at the summer fayre, Frozen Fridays and Bake sales, which raised in the region of £1, 800! The picnic tables are made from composite recycled plastic and will be perfect for packed lunches and playtimes when Storm Amy has passed over! The dienes (base ten) are a firm favourite already with Class 2 who chose to use them at wet break today to make representations of numbers of their choosing!

Please could we remind parents to stay with children on the patio until they are let it by a member of staff. Even if there are staff on the patio, we cannot ensure there is effective supervision during the busy drop off time. This does not apply to children who have permission to walk to and from school, but they will be expected to enter school as soon as possible when the door is opened. Thanks for your continued support!

BOOKINGS FOR BASE CLUB WILL CLOSE 24 HOURS IN ADVANCE TO ALLOW FOR STAFFING TO BE ALLOCATED. ON-THE-DAY BOOKINGS WILL BE AVAILABLE WHERE STAFFING ALLOWS, AND MUST BE MADE DIRECTLY TO THE OFFICE ON THE DAY SO THAT WE HAVE COMPLETE REGISTERS. THANK YOU!

Renovations at the Old Building

Notts CC have informed us they are starting works to repair the roof, repair and repaint internal ceilings and walls and refit the toilets in the old building during the half term. The current estimated time we have for completion of the work is 12 weeks and the entrance to school via High Street will be closed for this period, as the contractors will have full use of most of the playground. Access will remain via The Limes and the footpath between High Street and the church.

A small area of the playground will remain open for use in PE and breaks, but the old building will be closed to pupils and staff for the duration of the works for safety reasons. Dinners will be served in classrooms as an interim measure and an extra toilet block will be available.

We apologise for any inconvenience caused by the temporary changes, and look forward to the old building being reopened after its facelift.

More information will follow next week!
