Dear Parents/Carers,

### Parking on the Limes

It has been brought to my attention that, particularly at drop off/pick up, there have been some ‘near misses’ of children as parents enter and exit The Limes in their vehicle and go to park on the footpath. Please can I politely request, in the interest of keeping all children safe, that adults kindly refrain from parking on The Limes to drop and collect children each day. It has been observed that this is particularly dangerous when cars are parked on the corners meaning that cars, which are reversing, have restricted views.

We ask this not only in consideration of the safety of all children who utilize that entrance, but also in consideration of the residents who live on The Limes.

Other options for accessing the school are available, either by using the old school gate or the Gill Lane [Jurassic Gate] entrance.

Thank you for your continued support.

Yours faithfully,

Peter Phillips  
Head teacher
