Thursday 2nd March

Dear Parents and Carers,

Re: STEM Day at QEHS

The children of Class 3 have been offered 12 places to be invited to a Science, Technology, Engineering and Maths day at Queen Elizabeth's High School, Gainsborough, on Wednesday 15th March from 9.30am until 3.30pm.

The day will consist of opportunities for the children to undertake a range of experiences and challenges as a group, focused around working scientifically, technologically and mathematically.

Please can we ask on the morning of Wednesday 15th March that you arrange to drop off your children at QEHS for 9.15am (outside the middle gate along Morton Terrace) and that you arrange to collect your children at 3.30pm from the same location.

On the day, Mrs. Patchett, as a Class Teacher, will be chaperoning the children throughout the day and will be available to meet yourselves at the gate on Morton Terrace, both in the morning and in the afternoon.

Children will need to bring a packed lunch on the day. Please can we ask you send your children with a packed lunch in a disposable bag. Children who are eligible for FSM can be provided with a packed lunch with a choice of cheese, ham, tuna or jam. Please contact the office by Wednesday 8th March to make your order.

If you are able to transport any other children to and from the event, please do let us know, so that we can place families in contact with one another.

Should you have any questions, do not hesitate to get in touch.

Yours sincerely

Mr. P. Phillips
Headteacher
