Dear Parents and Carers,

Re: Learner Review Week

We will be holding parent/teacher meetings on Tuesday 22nd and Thursday 24th March.

This meeting will be 10 minutes long and held with the class teachers in their classrooms. The focus of the meeting will be to discuss how your child is progressing and for you to share any information with the teacher.

If you think your discussion will require longer than 10 minutes, please contact your child’s teacher to make alternate arrangements.

Please indicate in order of preference the times slots which will be most suited to yourselves in order of priority, by writing a 1, 2 or 3 in your preferred 3 time slots so that we can organise appointment times - 1 representing your most preferred time and 3 being your least. Appointments will be allocated on a ‘first come, first served’ basis.

Please ensure you return your slips by no later than Friday 11th March. We will send you an appointment time the following week. Should you wish, Mrs. Brumby will be offering appointments to the parents of pupils with special educational needs at a mutually convenient time to yourselves.

At the end of the school year, a fully written report will be sent home.

Yours sincerely,

Mr. Phillips

Head teacher
